### **Marxists and the Palestinian Question: the challenges facing the left**

**Marcelo Buzetto**

This article attempts to bring together some reflections of Marxist authors on the conflict between successive governments of the State of Israel and the organizations of Palestinian popular resistance, highlighting the challenges that the left has faced in recent years, principally the Popular Front for the Liberation of Palestine (FPLP) party and the Democratic Front for the Liberation of Palestine (FDLP) party.

Keywords: Palestine. Palestinian popular resistance. FPLP. FDLP.
